BUILDING HOPE TOGETHER

A SEASON OF BREAKTHROUGHS

Dear Changemakers, because of your generosity, **Puertas de Amor** is celebrating two incredible milestones in Tecate! Every step forward is proof of the change you are creating for children and families who will soon find safety and hope within our new community.

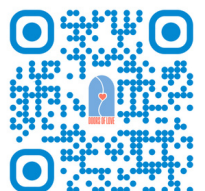

OUR FIRST WATER WELL!

We are excited to announce that **Puertas de Amor** now has water at our property! Thanks to you, our very first water well is complete. This essential resource will serve the future homes, kitchen, dining area, and the children who will one day call Puertas de Amor their home.

PREPARING THE PATH AHEAD

Construction preparation has begun! The perimeter of the property is being graded, along with the pathway that will welcome children and families into this new community. These steps are laying the foundation for the very first houses to be built.
