# DOORS OF LOVE

## CONGRATULATIONS TO THE STUDENTS OF TZAUINDANDA ELEM. SCHOOL!

We had the honor of representing Doors of Love as the Generation Sponsors for the graduation ceremony at Tzauindanda Indigenous School, located in the community of Loma Tova, Tecate, Mexico. It was a wonderful opportunity to encourage the students with a message of hope, motivation, and confidence in their potential.
At Doors of Love, we believe that education is a powerful tool for transforming lives. We are grateful to Principal Viridiana Sanabria for the invitation, and to all of our Change Makers for helping make this meaningful experience possible.

## THANK YOU, ARIZONA!

We had the opportunity to present the vision and mission of Doors of Love to a group of Pastors in Phoenix, Arizona. Little by little, our family of Change Makers continues to grow, people who are committed to helping those who need it most. A special thank you to Pastors Edwin and Eunice Mendoza for their support!
