CELEBRATION OF CHILDREN'S DAY!

On April 30, a Children's Day celebration was held for the children of Ejido Alta Loma in Tecate. The event created a joyful atmosphere of connection and gratitude, emphasizing the importance of providing positive, supportive spaces for the community's children.

THANK YOU TO THE CITIES OF CORONA AND RIVERSIDE, CA!

On April 18, we had the opportunity to meet with a group of individuals from Corona and Riverside, California, as well as surrounding areas to share the vision, mission, and heart of Puertas de Amor. It was a meaningful and enjoyable gathering where we highlighted what has been accomplished so far and the dreams we are working toward. We are pleased to share that they have joined this important cause and are now part of our Change Makers, working alongside you.

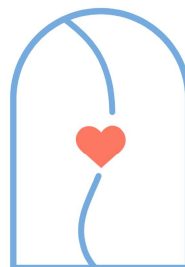

GOOD NEWS!

With grateful hearts, we're excited to share a wonderful blessing: the electrical transformer has been installed on the property! What was expected to take about six months was completed in just a few weeks. God is good! Construction continues to move forward smoothly.

We extend our sincere appreciation to all the Change Makers for your ongoing support and dedication to Doors of Love.
