SmartWATCHES

LOOK FOR WATCHES THAT BUILD INDEPENDENCE WHILE KEEPING PARENTS CONNECTED AND INFORMED.

01

BARK WATCH

(AGES 6+)

The only kids' smartwatch with AI-powered text and photo monitoring that alerts parents to real dangers like bullying or self-harm, all without games or social media distractions.

02

COSMO JRTRACK 5

(AGES 6+)

A dependable, distraction-free first connection that uses reliable GPS tracking and SafeZone alerts to ensure your child is always reachable by approved contacts.

03

TICKTALK 5

(AGES 6+)

The safe connection hub that enables kids to enjoy secure HD video calls and encrypted group chats with family and parent-approved contacts, without ever accessing the open internet.

TABLETS

CHOOSE TABLETS WITH STRONG PARENTAL CONTROLS AND LEARNING-FOCUSED CONTENT.

01

AMAZON FIRE HD 8 KIDS PRO

(AGES 6+)

Gives kids a sleek, full-featured tablet with a parent-approved app store and customizable web filtering, allowing you to tailor their online experience as they mature.

02

APPLE IPAD (A16) (2025, 11TH GENERATION)

(AGES 5+)

The ultimate digital canvas for learning and creativity, offering unparalleled speed, a stunning display, and custom content filters through Apple Family Sharing.

03

LEAPFROG LEAPPAD ACADEMY KIDS' LEARNING TABLET

(AGES 5+)

A trusted digital classroom with exclusive access to educator-approved apps and content that actively builds core skills like math, coding, and reading comprehension.

Gaming CONSOLES

SET CLEAR SCREEN-TIME LIMITS AND USE FAMILY SETTINGS TO KEEP GAMING POSITIVE AND BALANCED.

01

NINTENDO SWITCH 2

Nintendo's next generation console offers a massive boost in storage for digital games and features an upgraded Parental Controls interface with more granular options for managing GameChat and online interactions.

02

NINTENDO SWITCH

The premier home and handheld family console, offering a massive library of kid-friendly games and robust mobile app parental controls for managing screen time and age-appropriate content.

03

NEX PLAYGROUND

The AI-powered active play system that transforms your living room into a gym or playground, getting the whole family moving without controllers.

Video GAMES

SELECT DEVELOPMENTALLY-APPROPRIATE TITLES THAT PROMOTE CREATIVITY, COLLABORATION, AND FUN.

01

DREAMWORKS GABBY'S DOLLHOUSE: READY TO PARTY (ESRB "E")

This charming game encourages creativity and exploration through fun, mini-games without any online connectivity or social risk.

02

LEGO® PARTY! (ESRB "E")

A fun, customizable digital board game where the whole family competes across 60 hilarious, easy-to-learn mini-games without the complexity or conflict of other party games.

03

POKÉMON™ LEGENDS: Z-A (ESRB "E10+")

The next-generation Pokémon adventure featuring exciting, fast-paced real-time battles and exploration within a dense, futuristic Lumiose City.

Video GAMES

SELECT DEVELOPMENTALLY-APPROPRIATE TITLES THAT PROMOTE CREATIVITY, COLLABORATION, AND FUN.

01

DONKEY KONG BANANZA

(ESRB "E10+")

A highly-rated, action-packed game where kids get to literally smash and dig through 80% of the game world, encouraging chaotic fun and deep exploration for hidden secrets.

02

MARIO KART WORLD

(ESRB "E")

A fun racing game that introduces an open-world Free Room mode, allowing kids to explore vast, interconnected landscapes and discover collectibles with their favorite Nintendo characters.

03

SONIC X SHADOW GENERATIONS

(ESRB "E10+")

An action-packed 2-in-1 game, blending the high-speed nostalgia of Sonic's past with a new, story-driven campaign starring Shadow.

CAMERAS

ENCOURAGE CREATIVITY THROUGH TECH THAT HELPS KIDS ENGAGE, NOT JUST CONSUME MEDIA.

01

AGOIGO KIDS WATERPROOF CAMERA

(AGES 3+)

The perfect adventure camera for little hands, featuring a shockproof, drop-resistant design and a waterproof case that allows kids to capture memories underwater up to 98 feet.

02

SONY ZV-1F VLOG CAMERA

(AGES 14+)

The ideal dedicated camera for aspiring young creators, allowing them to shoot high-quality 4K videos with a professional look.

03

VTECH KIDIZOOM DUO CAMERA FX

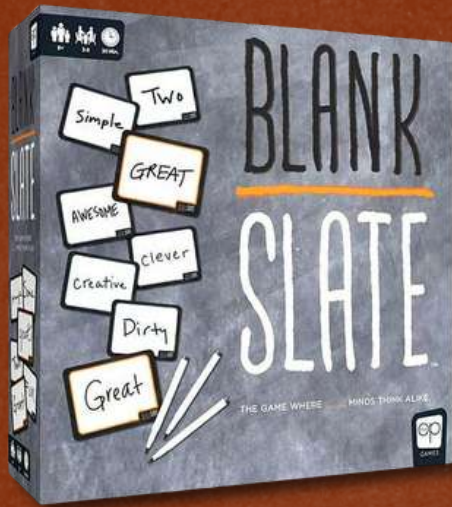

(AGES 3+)

A shatter-proof, dual-lens camera perfect for young photographers, featuring built-in games, fun effects, and a simple interface—no apps, no Wi-Fi, and no data concerns.

NON-TECH

BALANCE SCREEN TIME WITH GAMES THAT SPARK IMAGINATION AND CONNECTION.

01

BLANK SLATE (AGES 8+)

The fun party game where players try to secretly match their chosen word with exactly one other player, promoting lighthearted fun and communication skills.

02

GRAVITRAX STARTER SET (AGES 8+)

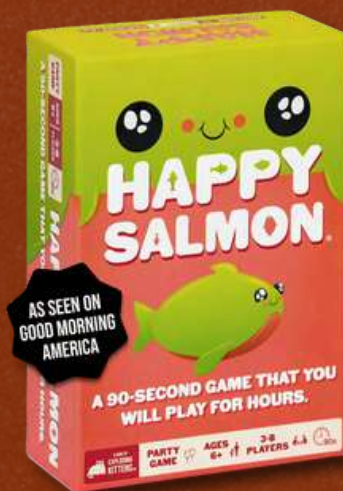

The interactive, screen-free STEM marble run system that challenges kids to design and engineer courses that teach them about gravity, magnetism, and kinetic energy.

03

HAPPY SALMON (AGES 6+)

The loud, fast-paced card game that gets everyone shouting and physically performing actions like the iconic "Happy Salmon" move to burn off energy in a quick 90-second round.

NON-TECH

BALANCE SCREEN TIME WITH GAMES THAT SPARK IMAGINATION AND CONNECTION.

01

PICKLEBALL STARTER SET

(AGES 14+)

The ultimate screen-free family activity that sets up in minutes in any driveway, providing a fun, competitive sport for all ages and skill levels.

02

PLASMACAR LIGHTNING GLOW RIDER

(AGES 3+)

An award-winning, kid-powered ride-on toy that uses natural forces (inertia, centrifugal force) to propel itself, actively developing children's coordination and motor skills.

03

SPIKEBALL GAME SET

(AGES 10+)

The 360° team sport that provides a great full-body workout and boosts agility, speed, and hand-eye coordination while players dive, leap, and spike the ball.
